

DEVELOPING A SUCCESSFUL JOB SEARCH STRATEGY

This month's newsletter is focused on finding your next job. If you are looking, we hope these tips and tricks will help you find a great position.

Developing a successful job search strategy is essential to increasing your chances of landing your dream job. Here are some tips on how to create a winning job search strategy:

1. Define your goals and target industries
2. Update your resume and cover letter
3. Network, network, network
4. Use online job search tools
5. Prepare for your interviews
6. Follow up

Remember to stay focused, stay positive, and don't give up if you don't find your dream job right away. Good luck!

Results of the 2023 Employee Engagement Survey

Our partner, Sigred Group, recently conducted their 2023 Employee Engagement Survey. Join Sigred Group partner, Mike Dergis to discuss the findings of the survey and learn cost-effective steps you can take today to improve your employee engagement.

TIPS FROM OUR EXPERTS

Do I need a career coach?

Perhaps you are feeling stuck in a career or role you "just fell into" - not quite sure what you'd like to do next but knowing you need a change.

Maybe you know exactly what you'd love to be doing but know you need support to make it happen.

I've been there myself. I was very good at what I did and continually received promotions, moving up the corporate ladder into increasingly higher profile roles. Until one day ...

Cheryl Czach discusses why you might want to consider a career coach.
